

Dear Parents

8 May 2018

Year 6 SATS week 14-17 May 2018

As you are all aware we head towards SATS week. We would ask that all parents support their child by ensuring that:

- Your child is at school promptly at 8.50am.
- Pupils should have a well-balanced breakfast.
- Ensure your child goes to bed at a reasonable time as a good night's sleep is essential.
- Please avoid making any dental or medical appointments during the week of the tests as it is very important for your child to attend every day.
- If your child takes part in extra-curricular clubs, please encourage them to participate; this will ensure that their normal routine is not disturbed.

Each morning, prior to the tests, we shall provide pupils with a healthy snack and some light exercise.

The children have been working very hard over the past few weeks. We are extremely happy with the progress of the year group and we feel that they are well prepared for the week ahead.

We would ask you to encourage your child to do their best.

Thank you for your continued support.

The Year 6 Team
